SUMMARY

You can check out anytime you like, but you can never leave. When Frankie is abducted in a case of (hopefully) mistaken identity, the Atalanta Empress loses its captain and its crew loses its friend. First mate Tarke is probably the least-equipped to command a ship – well, except for Gail, but we're not going there. So it's no surprise to anyone when they get stranded on the planet Beramuda. Beramuda is a magnet for struggling ships, and stops for the night tend to drag on longer than anticipated. Will Tarke and her mildly mutinous crew escape the clutches of the Beramuda Triangle, where hardly anyone leaves? Or will Frankie fade to a distant memory on the shores of Kokomo? Living It Up at Hotel Beramuda features a folk singer-songwriter, an Intergalactic Police station where everyone knows Tarke's name, and a commercial-filled episode of Cat the Bounty Hunter.

ABOUT THE AUTHOR

RM Hamrick uses her engineering degree from Georgia Tech to repair her car every other month and to further break appliances before throwing them away. She lives in central Florida where alligators, armadillos, and Publixes roam freely. Like her, Hamrick's science fiction is short and stuffed with humor and heart.
