SUMMARY

Unfortunately for Devlin Froad, a slip-up at his latest gig thrusts him into the A.I.-enhanced MMO world of the Realm at the Crossroads...which has been running unsupervised for years. Now, he's trapped — because of course he is. Procedural generation? The singularity? Rogue NPCs? Devlin doesn't know much about that stuff. But he does know how to roll dice, and if he can get the rest of his skills up, he might just be able to kill all those pesky mad gods the Realmkin won't shut up about. If you like portal fantasies, a sprinkling of fun game mechanics, and character-driven stories with humor and heart, you'll love Dice Lords!
