LOGLINE

Turns out, owning a planet isn't as easy as it sounds.

SUMMARY

As a new co-owner of Hephaestus, Frankie's dream of business-as-usual crashes when the planet doesn't qualify for the Planetary Owners Association (POA), leaving the planet open to many dangers—including unsanctioned music festival companies. The tribute festival, Pyre Festival, threatens to drown the planet in rainbow-colored hashtags, ruining any chance of POA-approval. The co-owners are desperate, and push Frankie to use her most dangerous and nonsensical ability: X-ray vision. Can over-stressed Frankie pull herself and her crew together to shut down the festival without the cunning use of radiation? Or will they pass out from drug-accelerated dehydration before they get the chance? Setting off a new three-part adventure, *Invasive Festival Invasion* features social media dimension Mindspace, rigid compliance to the three-act structure, and a guy named Hashtag.

ABOUT THE AUTHOR

RM Hamrick uses her engineering degree from Georgia Tech to repair her car every other month and to further break appliances before throwing them away. She lives in central Florida where alligators, armadillos, and Publixes roam freely. Like her, Hamrick's science fiction is short and stuffed with humor and heart. Find her at Linktr.ee/rmhamrick
