

Poisoned Splinter

By AJPark

BOOK DETAILS

Genre Fantasy

LOGLINE

Her handsome prince slips into violence as a dark sorcerer twists his mind.

SUMMARY

Dia never wanted a throne, until she accidentally falls for Sam, the man destined to sit on it. To win a place at his side, she must stop hiding in the background and fight for him. Their happiness is interrupted by sightings of a colossal black bird, the omen of evil, bringing illness and death to their people. Desperate for a solution, they hunt the dark sorcerer responsible. Just as they uncover the final clue, they are banished to the savage jungle. As they battle to survive attacks by outcast criminals and hungry predators, Dia quickly realizes that something is wrong with Sam. He is slowly losing control of his mind, turning from her soulmate into an enemy more dangerous than anything else in the jungle. Only the dark sorcerer can cure Sam. Even with no hope of winning, Dia must confront her powerful enemy, or lose the man she loves forever. From Award-Winning Author AJ Park. Enter this relentless adventure where good battles evil, and love refuses to be conquered.

ABOUT THE AUTHOR

AJ Park is the author of several fantasy adventure books and has won multiple writing awards. She grew up reading everything she could get her hands on, and continues to cultivate her life-long love of stories. When she’s not working on the next book, she loves climbing mountains, being outdoors, and spending time with her family. She loves meeting new friends, being part of the local community, and works for a digital marketing firm that helps businesses grow.
