SUMMARY

Now with more volume! Frankie's adopted mother tags along on a mission to prevent a business merger that will create a rip in space-time to compete with two-second shipping. The tenth installment of Atalan Adventures is a full-length novel. The first draft is finished. As I edit, I'm posting each chapter on Patreon. Buy the collection of posts or join as a member to support the Atalanta Empress and its holey hull. Thank you!

ABOUT THE AUTHOR

RM Hamrick uses her engineering degree from Georgia Tech to repair her car every other month and to further break appliances before throwing them away. She lives in central Florida where alligators, armadillos, and Publixes roam freely. Like her, Hamrick's science fiction is short and stuffed with humor and heart.
